Your paragraph text

Come into the library for a miniprize

Come into the library to get a miniprize

Start on Go. Roll dice to move around the board. Choose whether to follow the reading prompt or roll again. Don't want to use dice? Then simply pick a prompt to start on.

Once you've completed a square, add a title to the included list, then move to a new square.

When you land on Chance or Community Chest, come into the library and see the Teen Librarian to get a miniprize.

Once you have finished two sets, you can enter a grand prize drawing. You can complete as many sets as you wish, but you must complete at least two to enter the grand prize drawing.

*Free Reading - Land here to cross off one square (one time only)

**You will need to provide your own dice (2) and tokens
